

GSV Capital Corp. Provides Update Related to Filing of its Annual Report on Form 10-K

April 22, 2019

SAN FRANCISCO, Calif., April 22, 2019 (GLOBE NEWSWIRE) -- **GSV Capital Corp. ("GSV Capital" or the "Company")** (Nasdaq:GSVC) announced today that on April 18, 2019 the Company filed its annual report on Form 10-K for the fiscal year ended December 31, 2018 (the "Form 10-K").

As previously reported, the Company was unable to file the Form 10-K within the prescribed time period without unreasonable effort or expense because the Company's independent directors retained independent counsel to conduct a review of certain operational and administrative activities of the Company (the "Internal Review"). The Internal Review is now complete and no material issues were found. The results of the Internal Review did not change the Company's financial statements or results of operations that were reported in its earnings release on March 14, 2019.

In addition, as a result of filing the Form 10-K, the Company received a notice from Nasdaq on April 18, 2019 stating that the Company is now in compliance with Nasdaq Listing Rule 5250(c)(1), which requires listed companies to timely file all required periodic financial reports with the Securities and Exchange Commission. As previously reported, the Company had received a notice from Nasdaq stating that the Company was not in compliance with such rule because the Company was unable to file the Form 10-K within the prescribed time period.
